NEW

HUB NEWS

REGIONAL ROUNDTABLES IN JULY 2024

Consultation and collaboration with all stakeholders is key to the Hub delivering its outcomes and to effectively update the Strategic Plan.

The Hub is working with Lynda Jones and Bob Campbell from the noagroup to engage Hub stakeholders in regional roundtables in late July.

This engagement program will ensure that the perspectives of all stakeholders are understood and considered in the development of the Hub Strategic Plan.

These regional sessions will be followed by a whole of industry workshop in September to provide input and feedback into the draft Hub Strategic Plan.

**Roundtable dates +
locations shared soon.**

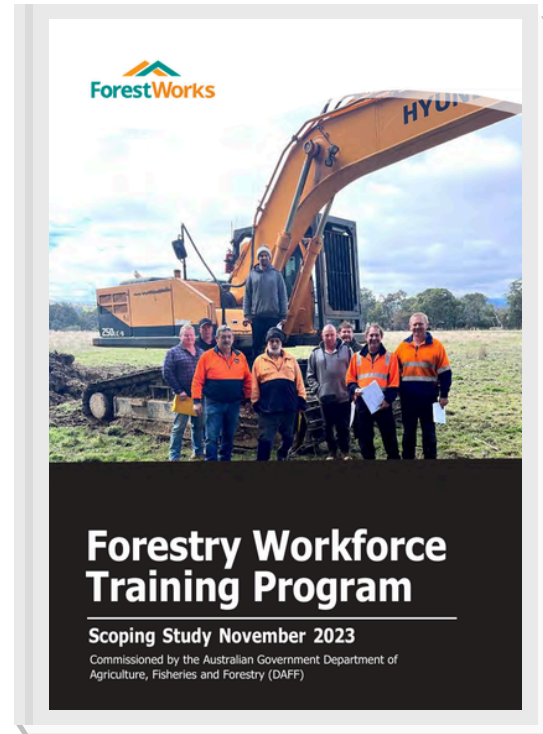

FORESTRY WORKFORCE TRAINING PROGRAM SCOPING STUDY RELEASED

This report was developed using stakeholder feedback and research and is aimed at producing a fit for purpose training and skills development framework to meet current and future industry needs. This report identifies a critical need for industry to have hands on involvement, engagement and influence for this framework to be successful.

The workforce and diversity projects undertaken in Tasmanian have been highlighted in the report and are the basis of some of the case studies.
